### Second Collection Next Weekend For Stella Maris (formerly The Apostleship of the Sea).

Stella Maris is a Catholic charity supporting seafarers worldwide.

Port chaplains and volunteer ship visitors welcome all seafarers, regardless of nationality or belief. They offer welfare service and advice, practical help, care and friendship. Stella Maris in Great Britain is part of an international network working in more than 250 ports around the world. The life of a modern seafarer can be dangerous and lonely. They may spend up to a year at a time away from home, separated from their family and loved ones and often working in harsh conditions. Stella Maris relies wholly on voluntary contributions, and can only continue its work through the generous donations of its supporters, particularly this collection.
